TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Peterborough, in the County of Hillsborough, in said State qualified to vote in Town affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the thirteenth day of March next, at eight of the clock in the forenoon (Polls close at 6:00 p.m.) to ballot for Town Officers and other questions required by law to be decided by ballot. Pursuant to the authority of RSA 39:2-a and the vote of the Town on March 10, 1970, all business other than ballot questions will be recessed until 7:00 p.m., Tuesday, March 20, 1979, at Peterborough Elementary School, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing. (By Ballot)

Article 2. To see if the Town will vote to amend the Zoning Ordinance as proposed by the Planning Board and by petition, or take any other action relating thereto. (By Ballot)

Article 3. To see if the Town will vote to rescind the Town Off Street Parking Ordinance enacted March 9, 1965, or take any other action relating thereto.

Article 4. To see if the Town will vote to rescind a previous vote enacting semi-annual collection of real estate taxes, or take any other action relating thereto.

Article 5. To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen, and to pass any vote relating thereto.

Article 6. To see if the Town will vote to accept legacies and gifts to the Town in Trust or otherwise by any individual or individuals, or take any other action relating thereto.

Article 7. To see what sum of money the town will vote to raise and appropriate for Town Office, Town House, Legal Expense, Street Lighting, Water Charge, Patriot Purposes, Vital Statistics, Local Planning, Town House Annex, Board of Adjustment, Health, Conservation Commission, Highway Summer, Highway Winter, Public Works Summary, Highway Garage, Police Department, Fire Department, Ambulance, Library, District Court, Welfare Department, Parks, Recreation Department, Solid Waste, Civil Defense, and for any other charge arising within the Town.

Article 8. To see what sum of money the Town will vote to authorize the Selectmen and Town Treasurer to borrow in anticipation of collection of taxes for the current municipal year and to issue in the name and on the credit of the Town negotiable notes therefore, said notes to be paid in the current municipal year from taxes collected in the current municipal year and to raise and appropriate a sum not to exceed Seventeen Thousand Dollars (\$17,000.00) to cover the interest on the notes, or take any other action relating thereto.

Article 9. To see if the Town will vote to raise and appropriate the sum of Three Hundred Sixty-Six Thousand Twenty Dollars (\$366,020.00) (Sewer Two Hundred Ninety-Five Thousand Six Hundred Seventy Dollars (\$295,670.00) and Library Seventy Thousand Three Hundred Fifty Dollars (\$70,350.00) for the paying of the Town debt and interest, or take any other action relating thereto.

Article 10. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local

Assistance Act of 1972 for use as set offs against budgeted appropriations for the following priority purposes and in the amount indicated, or take any other action relating thereto:

Appropriation	Amount
Public Works	\$24,207.00
Police Department	11,599.00
Fire Department	3,530.00
Library	4,035.00
Recreation Department	4,539.00
Solid Waste	2,522.00
TOTAL	\$50,432.00

Article 11. To see if the Town will vote to raise and appropriate the sum of One Thousand Six Hundred Sixty-Nine Dollars and Nine Cents (\$1,669.09) provided that the State of New Hampshire appropriates Eleven Thousand One Hundred Twenty-Seven Dollars and Twenty-Eight Cents (\$11,127.28) for construction or reconstruction of Class IV and V Highways, or take any other action relating thereto.

Article 12. To see if the Town will vote to accept and use from the State of New Hampshire approximately Forty-Four Thousand Eight Hundred Eighteen Dollars and Forty-Nine Cents (\$44,818.49) in Highway Subsidy moneys restricted to highway construction or reconstruction, or take any other action relating thereto.

Article 13. To see if the Town will vote to raise and appropriate the sum of Thirty-Seven Eight Hundred Seventy-Three Dollars (\$37,873.00) to complete the purchase option for the dump loader, or take any other action relating thereto.

Article 14. To see if the Town will vote to raise the sum of Three Thousand Dollars (\$3,000.00) and to appropriate the sum of Three Thousand Dollars (\$3,000.00) plus the salvage value of the existing bridge for the Town's share of the negotiated replacement of the Steele Road bridge, or take any other action relating thereto.

Article 15. To see if the Town will vote to raise and appropriate the sum of Twenty-One Thousand Three Hundred Dollars (\$21,300.00) to purchase a new truck and sander for the highway department, or take any other action relating thereto.

Article 16. To see if the Town will vote to raise and appropriate the sum of Four Thousand Eight Hundred Dollars (\$4,800.00) to replace the 1977 Police Cruiser, or take any other action relating thereto.

Article 17. To see if the Town will vote to raise and appropriate the sum of Fifteen Hundred Dollars (\$1,500.00) to replace a radio for the Police Department, or take any other action relating thereto.

Article 18. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) for the installation of storm windows on the Town House, or take any other action relating thereto.

Article 19. To see if the Town will vote to raise and appropriate the sum of Sixteen Thousand Dollars (\$16,000.00) to construct and equip a building at the Town Solid Waste Site for storage and recycling purposes, or take any other action relating thereto.

Article 20. To see if the Town will vote to raise and appropriate the sum of Forty-Five Thousand Dollars (\$45,000.00) for additions to the Fire Station, or take any other action relating thereto.

Article 21. To see if the Town will vote to raise and appropriate the sum of Thirty-Six Thousand Six Hundred Dollars (\$36,600.00) for landscaping and con-

struction of a softball field at Adams Playground provided that the Bureau of Outdoor Recreation agrees to reimburse the Town for 50% of the cost upon completion of the project, or take any other action relating thereto.

Article 22. To see if the Town will vote to transfer and use the sum of Four Thousand Nine Hundred Dollars (\$4,900.00) from the income of the Albert W. Noone Fund for extending a water line from the garage at Adams Playground to Hopkins Field and the Concessions Stand at Adams Playground, or take any other action relating thereto.

Article 23. To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.00) to construct a sidewalk from West Peterborough easterly towards the playground, or take any other action relating thereto.

Article 24. To see if the Town will vote to officially classify Carley Road as a Class VI highway closed subject to gates and bars from Old Mountain Road westerly to its intersection with Diamond Road, or take any other action relating thereto.

Article 25. To see if the Town will vote to accept Pheasant Road as a Town street, or take any other action relating thereto.

Article 26. To see if the Town will vote to reconsider the action taken under Article 32 of the Warrant for the Town Meeting held on March 21, 1978 to rescind the vote to grant the fifty (50) foot wide right-of-way to the Square and Compass Club, Inc., extending in a northwesterly direction from the end of Evans Road across Town Property to the property presently owned by the Square and Compass Club, or to clarify said action to clearly define that said right-of-way is to be used by the Square and Compass Club, Inc., only and shall not be conveyed to others, or take any other action relating thereto.

Article 27. To see if the Town will vote to raise and appropriate the sum of Two Thousand Nine Hundred Fifty-Five Dollars and Twenty-Eight Cents (\$2,955.28) to join the Southwestern New Hampshire Regional Planning Commission, or take any other action relating thereto.

Article 28. To see if the Town will vote to raise and appropriate a sum not to exceed Five Thousand Dollars (\$5,000.00) for a study to determine if hydro-electric energy is feasible in the Town, or take any other action relating thereto.

Article 29. To see if the Town will vote to raise and appropriate the sum of Nine Hundred Dollars (\$900.00) for the support of the Monadnock Region Association, or take any other action relating thereto. (By Petition)

Article 30. To see if the Town will vote to raise and appropriate the sum of Eight Thousand Six Hundred Ninety-Two Dollars (\$8,692.00) for the Monadnock Visiting Nurse Association, Inc., or take any other action relating thereto. (By Petition)

Article 31. To see if the Town will vote to raise and appropriate the sum of Two Thousand Sixty-Two Dollars (\$2,062.00) for the Monadnock Family and Mental Health Service, or take any other action relating thereto. (By Petition)

Article 32. To see if the Town will vote to raise and appropriate the sum of One Thousand Two Hundred Dollars (\$1,200.00) for the Monadnock Community Day Care Center, or take any other action relating thereto. (By Petition)

Article 33. To see if the Town will vote to prohibit the transportation and storage within the Town of nuclear fuel, waste products, or other radioactive materials connected with nuclear powered electric generating plants, when not pre-empted by state or federal statute. Penalties for judged violations to be assessed by the Board of Selectmen, or take any other action relating thereto. (By Petition)

Article 34. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed, or take any other action relating thereto.

Article 35. To transact any other business that may legally come before this meeting.

Given under our hands and seal this Twenty-Sixth day of February, in the year of Our Lord Nineteen Hundred Seventy-Nine.

CERTIFIED
PUBLIC ACCOUNTANTS

To the Board of Selectmen of the
Town of Peterborough

We have examined the financial statements (as indexed on the preceding page) of the Town of Peterborough as of December 31, 1978, and for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town has not maintained a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, the aforementioned financial statements present fairly the financial position of the various funds and departments of the Town of Peterborough as of December 31, 1978, and the results of the financial transactions for the year then ended, in conformity with generally accepted accounting principles applicable to government entities applied on a basis consistent with that of the preceding year.

Smith, Batchelder & Rugg

Keene, New Hampshire
February 9, 1979

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1978

1. SIGNIFICANT ACCOUNTING POLICIES

Department Reporting - The General Fund does not include the following departments or funds which are reported separately:

Water
Sewer
Cemetery
Library
Federal revenue sharing

Depreciation Policy - Water and Sewer - The Town charges to expenses annual amounts of depreciation which allocate the cost of the property, plant and equipment over their estimated useful lives. The Town uses the straight-line method for determining the annual charge for depreciation. The ranges of the estimated useful lives used are:

	<u>Years</u>
Water:	
Wells and pumping stations	10-35
Purification plant	5-50
Storage tanks and distribution mains	5-75
Service entrances and meters	25
Hydrants	35-50
Other equipment	3-10
Sewer:	
Mains	35-50
Treatment plant and pumping station	30
Equipment	3-7

2. APPROPRIATED FUND BALANCE - GENERAL

Appropriated fund balance at December 31, 1978 represented the unexpended balance of special appropriations carried forward from 1978.

3. LONG-TERM DEBT - GENERAL

General long-term debt at December 31, 1978 represented the unpaid balance of the 4.10% sewer construction bonds and a 5 3/4% library expansion note payable. The bonds are payable in annual installments of \$185,000, plus interest, through 1980, and in annual installments of \$180,000, plus interest, from 1981 through 1990. The library expansion note is payable in equal annual installments of \$60,000, plus interest, through 1981.

4. LONG-TERM DEBT - WATER

Notes payable to banks at December 31, 1978 consisted of:

4½% note for guaranteed main line extension, payable in annual installments of \$1,000, plus interest, through 1981	\$ 3,000
3½% note, payable in annual installments of \$20,000, plus interest, through 1987	180,000

5 3/4% note for guaranteed main line extension, payable in annual installments of \$850, plus interest, through 1989	2,396
4 1/2% note for guaranteed main line extension, payable in annual installments of \$900, plus interest, through 1992	12,600
5% note, payable in annual installments of \$17,500, plus interest, through 1997	332,500
6% note for guaranteed main line extension, payable in annual installments of \$866, plus interest, through 1998	17,324
6% note for guaranteed main line extension, payable in annual installments of \$400, plus interest, through 1998	4,000
	<u>551,820</u>
Less current portion	<u>41,516</u>
	<u>\$510,304</u>

5. LONG-TERM DEBT - SEWER

Notes payable to banks at December 31, 1978, all for guaranteed main line extension, consisted of:

4 1/2% note, payable in annual installments of \$800, plus interest, through 1992	\$ 11,200
4 1/2% note, payable in annual installments of \$1,700, plus interest, through 1992	23,800
5.5% note, payable in annual installments of \$265, plus interest, through 1994	4,240
6% note, payable in annual installments of \$485, plus interest, through 1994	7,764
6% note, payable in annual installments of \$295, plus interest, through 1994	4,720
6% note, payable in annual installments of \$1,750, plus interest, through 1995	29,750
5.5% note, payable in annual installments of \$640, plus interest, through 1996	11,520
6% note, payable in annual installments of \$582, plus interest, through 1997	11,074
	<u>104,068</u>
Less current portion	<u>6,517</u>
	<u>\$ 97,551</u>

6. PRIOR PERIOD ADJUSTMENTS

The water department retained earnings as of January 1, 1978 has been reduced by \$12,534. The decrease represents the accrued interest on long-term debt, primarily the Farmers' Home Administration bonds, at December 31, 1977.

The sewer department accumulated deficit as of January 1, 1978 has been increased by \$2,050. The increase represents the accrued interest on long-term debt at December 31, 1977.

7. YIELD TAX DEPOSIT ESCROW

Included in the checking account balance at December 31, 1978 was \$3,353 representing yield tax deposits.

8. PENSION PLAN

The Town provides for pension benefits to substantially all fulltime employees through a contributory system under New Hampshire law. The law prescribes the formula for computing pension benefits and presently does not permit advance funding of pension liabilities. Pension benefits are paid from Town funding and employee contributions based on date of entry. Pension expense for the year ended June 30, 1978, the latest year-end of the New Hampshire retirement system, was \$12,352. There is no unfunded past service liability and the value of vested benefits has not been determined. The date of the last actuarial report on the New Hampshire retirement system is June 30, 1977.

9. CONTINGENCY

In November 1978, the administrator of the estate of a man who allegedly died by accident in May 1977 in the Peterborough Town jail brought suit for \$500,000 against the Town and certain police officers. In the Town counsel's opinion, the financial liability of the Town will be minimal, if not non-existent.

REPORT OF THE RESULTS OF TOWN MEETING 1978

Article 5. Reports of Agents, Auditors and Committees be approved as printed in the Town Report. Motion passed.

Article 6. Acceptance of Legacies and gifts or otherwise. Motion passed.

Article 7. Total appropriation under this article was \$848,453.

Article 8. Authorization to borrow in anticipation of taxes and interest appropriation of \$22,000. Motion passed.

Article 9. Borrow \$305,105. for paying Town debt and interest. Motion passed.

Article 10. Authorize the withdrawal from the Revenue Sharing Fund for use as set-offs against budget appropriations for the following purposes and in amounts indicated:

Public Works	\$22,030
Police Dept.	11,952
Fire Dept.	2,933
Library	3,144
Recreation Dept.	6,856
Solid Waste	2,115
<hr/>	
Total	\$47,000

Article 11. Class IV & V Highways \$1,460.80. Motion passed.

Article 12. Accept from the State of New Hampshire \$42,827.68 in Block Grant moneys restricted to highway usage. Motion passed.

Article 13. \$20,341.64 to replace a 1972 International dump truck with plow and wing. Motion passed.

Article 14. \$5,425 to replace a 1973 International $\frac{3}{4}$ ton pick up and plow. Motion passed.

Article 15. \$2,118.50 to replace a 1973 $\frac{1}{2}$ ton pick up. Motion passed.

Article 16. Guard rails replacement on various town bridges \$5000. Motion passed.

Article 17. Relocation of a water pipe under town library \$20,000. Motion passed.

Article 18. \$5,815 to modernize the electrical wiring in the Town House. Motion passed.

Article 19. Article withdrawn.

Article 20. \$550 for repairs to the Town clock. Motion passed.

Article 21. Convey to PIDC and Brookstone whatever rights the Town may have under a Restrictive Covenant and Easement from PIDC to the Town of Peterborough dated 1/14/71 and so recorded. Passed as amended.

Article 22. \$1,000. to paint the exterior of the windows of the Town House. Motion passed.

Article 23. Replace a 1976 police cruiser \$4,000. Motion passed.

Article 24. New ambulance purchase: appropriate \$18,132.35, withdraw \$7,537.65 from Ambulance Capital Reserve, accept \$1,500 from donations. Motion passed.

Article 25. Library addition \$180,000 to be repaid over a period of three years. Motion passed.

Article 26. Authorization to construct an addition to the present library and to use funds donated for library purposes to pay for that portion of the project not paid for by the Town of Peterborough. Motion passed.

Article 27. \$25,000 to acquire and equip a transfer station for solid waste disposal. Motion passed.

Article 28. Authorization to enter into a five year contract with G.E. Robertson, Inc. of Hinsdale for transporting and disposing of solid waste materials. Motion passed.

Article 29. Transfer and use the sum of \$4,695 from the Albert W. Noone Fund for repainting Adams Pool and to purchase and install additional park benches.

Article 30. Hunter Farm Rd. water booster station and storage tank. Moved and passed that article be indefinitely postponed for action.

Article 31. Sidewalk be constructed on southerly side of Union St. from Adams Playground to the Pearl Teixeira residence at W. Peterborough. Motion lost. Passed as amended to have a study of town's sidewalk needs and a report at next town meeting.

Article 32. Grant to the Square and Compass Club Inc. a 50 ft wide right-of-way from the end of Evans Road across town property to their property line. Passed as amended to have utilities underground.

Article 33. Action indefinitely postponed. Motion passed.

Article 34. \$2,450 for utilities at Town House Annex for proposed additional use. Indefinitely postponed.

Article 35. Monadnock Community Visiting Nurse Association Inc. \$5,145. Motion passed.

Article 36. \$2,062 for the Monadnock Family and Mental Health Service. Motion passed.

Article 37. Monadnock Region Association \$1,385. Motion passed.

Article 38. \$1,200 for the Monadnock Community Day Care Center. Motion passed.

Article 39. Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed. Motion passed.

Special Town Meeting December 19, 1978

Article 1. Town to join N.H. Municipal Association Workmen's Compensation plan. Passed.

REPORT OF BOARD OF SELECTMEN

Nineteen Seventy-Eight has been a year for changes in personnel and for many new ideas. To start 1978 off we had a new Chief of Police and then in March we had a new Fire Chief. We congratulate them for the fine job they are doing.

Much of the year has been spent in going over our landfill problems. First, we were unable to complete the proposed contract with G.E. Robinson Co. This meant we had to start all over again. We contacted the N.H. Solid Waste Department and Mr. Sweeney. Several suggestions were made in the hope of making more space available. This would also be very costly. In order to prolong the use of the present area we feel that everyone should help by recycling paper, cardboard, glass and tin cans. There is a good market for these materials which we have been selling.

Attention has been given to update our sewage lagoons system which is reaching near-capacity use. The Dufraine and Henry Engineering Consultant Firm has been hired to give us recommendations and designs for updating and increasing the capacity. The Board feels that strong consideration should be given to extending the sewer laterals within the compact area of the Town to increase the customer ratio.

Roads and sidewalks are always a continuous job. They need to be rebuilt, resurfaced, and drained. This past summer a section of Pine Street was done and it was planned to do more in 1979. However, it appears now that High Street and MacDowell Road will have to be done over first. Hopefully we will finish Sand Hill Road from General Miller Road to Old Mountain Road.

The Town equipment is in good condition and we operate a continuous maintenance program. Trucks are rotated regularly saving heavy repair bills and costly breakdowns.

Labor is an increasing problem. The changing economy has created a shortage of laborers. It has been necessary to hire contractors to get all of the work done, however, they also show a lack of laborers.

We would like to thank the Library Trustees for the fine work they did in expanding and remodeling our library - a library we all can be very proud of.

The Planning Board and Board of Adjustment have been doing a good job in keeping our town growing in an orderly fashion. Without their help and influence we could be in great trouble with uncontrollable development.

We urge you, our citizens, to continue improving our roads, Fire and Police Departments, Ambulance Service, Library and Recreation Department in order to keep our town a place that we can all be proud of. At the same time, try to keep our taxes in line so we all can afford to live in "Our Town." We believe this can be done if we do things in order of importance.

Mark G. Wheeler, Chairman
James R. Lawn
Robert H. Grip
Board of Selectmen

REPORT OF SUPERINTENDENT OF PUBLIC WORKS RELATIVE TO ADMINISTRATION OF

Town Office
Highway Department
Water Department
Sewer Department
Engineering

Town House
Trees & Forests
Parks
Cemeteries
Solid Waste

The following is a brief report of the Departments that I have administered during the past year.

Town Office

The expanded elderly exemptions voted at Town Meeting added to the paper-work at the Office this year. As usual, Mrs. Turner, Miss Baldwin, and Miss Atkinson took the added duties in stride and continued their efficient handling of Town Office routine.

Town House

This year the Town House has had a much expanded use with several non-profit organizations staging events in the Upper Hall.

The front and one side of the building received a new coat of paint and the windows were caulked. Next year the remaining two sides and the cupola will be painted.

The painter strongly suggested combination windows to protect the wooden sashes.

Highway Department

A major accomplishment on the streets this year was the complete rebuild of a section of Pine Street. New drainage, base, curbs, walk and surface were installed on over 700' of the road beginning at Granite Street.

Work also began on a section of Sand Hill Road between General Miller Road and Caper Corner. The scene of several accidents, this roadway will be realigned, regraded and surfaced. The clearing and drainage was completed before winter set in.

A shim coarse and hot top overlay was installed on Sand Hill Road between Blueberry Lane and the Houlder residence.

The usual one-third of the oiled roads were resealed this Summer.

A new drainage system was installed on Lobacki Drive.

Guide rails were installed on the Wilder Street bridge and two bridges at Happy Valley.

In a late season project granite curb and sidewalk was installed around the Library.

It is becoming increasingly difficult to employ dependable labor in this area and we should be looking to mechanization and outside contracting to accomplish our workload.

Our winter cleanup efforts were featured on Boston Channel 4 TV during the "blizzard" of 78.

Water Department

The test well program proved successful with two promising sites being found.

Negotiations in the land are underway and proceeding much slower than anticipated. It is of the utmost importance, however, that the areas involved be protected while they are still open space.

A new water main was installed across the river at the Main Street bridge and the old main which runs under the Library has been abandoned.

Four hundred feet of new 8" main has been installed on Old Street Road under the guaranteed mainline extension program.

The Water Department installed thirteen new services.

Sewer Department

The Sewer Department commissioned the firm of Dufresne-Henry of N. Springfield, Vermont to prepare plans for aerating the sewer lagoons to provide for more capacity and help alleviate other problems at the facility.

The department also installed a valve on the main outlet pipe to prevent the river from backing up the line during high water periods.

One new service was installed during the past season.

Solid Waste

This was a year of ups and downs for the Solid Waste Department.

The pile of refuse keeps going up and our machine was down since it burned early in the season. We rented a replacement which broke down after a few months.

Since no solution to our State mandated orders has been found, we are still burying the rubbish. Therefore, we are looking for voter approval to purchase a replacement loader at next Town Meeting.

Recycling is at a low point and we should be doing much more. We have markets for glass, cans, newspaper, and cardboard. It is our intention, if the voters agree, to put up a storage building and purchase a baler with funds previously raised for this and other purposes.

Parks

The usual fine maintenance was provided by Ted Brayton in Putnam Park and Bud Grant in Teixeira Park during the past season.

Both parks were treated with lime and fertilizer and in addition the overgrown shrubbery in Putnam Park was pruned.

Trees and Forests

Forty-Five hazardous trees were removed from Town Streets.

The planting of replacement trees continues to be slow. Only three new trees were requested this year.

Cemetery

The new section consisting of 186 two grave lots was installed in lower Pine Hill Cemetery. Roads and water services were established and the entire area grassed over. This much needed addition was being sold before it was completed.

Bud Grant continued his excellent maintenance during the past season.

Twenty-Seven burials were performed, down considerably from the previous two years.

Engineering

Tax maps were updated and are available to the public at cost.

Additionally, I was awarded the pleasure and honor of being elected to the Presidency of the N.H. Public Works Association and to the Vice-Presidency of the N.H. Water Works Association during the past year.

In conclusion, I wish to express my appreciation to the Selectmen, my office staff, my foremen; Tom Weeks, Howard Parker, and Joe Hanson, the Department of Public Works crew, fellow department heads, and to you, our valued citizens for the understanding and support throughout the year.

Respectfully submitted,
John N. Isham
Superintendent of Public Works

PETERBOROUGH POLICE DEPARTMENT
ANNUAL REPORT
TO THE HONORABLE BOARD OF SELECTMEN

I hereby submit my Annual Report for the year ending December 31, 1978.

The citizens of the Town of Peterborough have a right to the best possible police service for the most economical cost and the Peterborough Police Department has been re-organized on that basis.

To accomplish this goal each Peterborough Police Department member has been issued a Policy and Procedures Manual. The manual contains policy and procedure statements designed to provide workable guidelines that will help all members deal with critical situations they encounter in the course of their duties.

In addition to these guidelines, specific directives are periodically drafted by the Chief of Police. The directives are submitted to the Board of Selectmen and if approved are added to the Manual as rules and regulations of the Peterborough Police Department.

A new record system was inaugurated which consists of recording every call for assistance. The calls are then cleared, suspended or remain active until resolved.

The calls are recorded by consecutive number as they are received and are then filed alphabetically, numerically and by location.

Training and Education

In addition to weekly or monthly training sessions, Peterborough Police Department members are sent to Police Schools and Seminars sponsored by the New Hampshire Police Standards and Training Council.

In 1978 the following officers attended these schools:

Officer Diane Nopanen, Police Recruit Academy, 8 weeks; Officer Charles DiFelice, Juvenile Officers School, 7 sessions; Officer Larry Somero, Juvenile Officers School, 7 sessions; Spec. Officer Jon Perkins, Juvenile Officers School, 7 sessions; Officer Charles DiFelice, Drug Enforcement School, 1 week; Officer William Sweet, Drug Reinforcement School, 1 week; Sgt. Richard Sexton, Breathalyzer School, 1 week; Sgt. Lowell Tewell, Management School-Babson College, 3 weeks; Sgt. Richard Sexton, Management School-Babson College, 3 weeks.

Juveniles

In 1977 the Peterborough Police Department petitioned 47 juveniles to the Juvenile Court. In 1978 the Peterborough Police Department petitioned 5 juveniles to Juvenile Court.

This significant reduction in court cases was accomplished by a team effort of all Peterborough Police Department members to resolve the juvenile problems by enlisting the aid of parents, teachers and friends.

If we can continue these procedures, it will (in my opinion) negate the expense and necessity of appointing a Juvenile Officer.

Statistics

Telephone calls received	18,250
Complaints investigated	4,394

Police Cruisers

The Police Cruisers traveled 96, 580 miles.

Conclusion

I am extremely grateful for the support and assistance from the Board of Selectmen, the department heads and employees of the Town of Peterborough, the members of the Peterborough Police Department and especially to the wonderful citizens of this town.

Respectfully submitted,
Joseph V. McCarthy
Chief of Police

REPORT OF THE FIRE DEPARTMENT 1978

Once again the year 1978 shows increased activity in number of calls by 20 but dollar loss kept at a minimum. Breakdown of calls:

- A. 15 Chimney Fires
- B. 26 House Fires
- C. 9 Outside Fires
- D. 48 Auto Calls
- E. 28 Alarm Malfunctions
- F. 4 False Alarms
- G. 14 Mutual Aid Calls
- H. 1 Call Library Roof
- I. 5 Land Fill Fires
- J. 1 Lost Child
- K. 1 Bomb Scare

A. Chimney fires are about the same as last year and we find these calls are mainly from homes just starting to burn wood and it does take some time to learn proper habits of burning wood stoves and fire places.

B. With the exception of four major house fires most calls were very minor such as electrical, etc. We are sorry to report one fatality and two near fatalities. Three of the fires were major losses and in all cases the fire had gained tremendous headway before they were reported.

C. Again outside fires have been kept to a minimum because of strict control of outside burning and our watchman atop Pack Monadnock reporting these fires when they are small.

D. Automobile fires and accidents are on the increase because of increased traffic and older vehicles. Man hours on these calls are way up because of the serious truck problems from Temple Mt. We are again sorry to report one fatality from one of these calls.

E. We had the same number of automatic alarm malfunctions but the department is still in favor of these systems which enable us to more quickly get to the scene.

F. True False alarms increased by two and if possible we would like to have these people if detected dealt more severely so these can be eliminated.

G. Mutual Aid calls increased but this system is perhaps one of the most helpful changes in the fire industry. Each and every town belonging to this system has any help he requests at his finger tips and rolling to the scene in minutes at no charge.

H. This call to the library was an ice problem on the roof that was causing damage to their books and we were happy to assist.

I. On land fill fires with the cooperation of Public Works, Air Pollution and fire department we have practically eliminated these fires.

J. This call was from another town we aided with radio communications.

K. These calls we hope will be non-existent in the future.

We are happy to report the number of ambulance calls decreased by 42 calls. This was due mainly with closer cooperation from the doctors. The fire department ambulance service is continuing to serve the original six towns and working very smoothly. At this time we have 18 Emergency Medical Technicians who are firemen as well as covering ambulance calls. In 1978 there were 447 calls as follows:

Peterborough	321
Hancock	38
Dublin	37
Greenfield	31
Francestown	17
Sharon	3

447

TRIPS

Transfers	71
Emergencies	348
Hanover	10
Cheshire	8
Manchester	2
White River	1
Boston Childrens	1
Deaconess	3
Mass General	3

447

Our 1973 Cadillac Ambulance has 56,196 miles and is six years old. On July 27th our new Ford Modular Ambulance was put into service and now has 5800 miles already. We use our Cadillac for back-up and for long transfers. The new Ford gives us much more room to work inside which is a great help in heart cases and auto accidents. At this time we would like to express our appreciation to all six towns who made this purchase possible and in return we will be able to serve you more efficiently.

We want to thank each and everyone that have given assistance to us during the past year. The Police Department, Highway Dept., Department of Civil Defense, town house staff and doctors and nurses and staff of the Monadnock Community Hospital and all other groups and individuals. From all of this cooperation it makes our job that much easier. We especially at this time want to thank all of our citizens for their fine support concerning our budget. We realize the appropriation does climb but that is a result of increased operating costs. Our budget this year contains no increase in wages. Once again we wish to thank you and will be looking forward toward your continued support.

Lawrence C. Bishop, Chief
Jere Morris, Deputy
Dennis Cilley, Deputy

REPORT of DISTRICT FOREST FIRE CHIEF and YOUR FOREST FIRE WARDEN

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to \$1,000 or a jail term of up to one year or both.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!

1978 Forest Fire Statistics

	No. of Fires	No. of Acres Burned
State	1,433	460
District	464	105
Town	5	4

Gilbert Testa
District Fire Chief
Lawrence C. Bishop
Forest Fire Warden

REPORT OF OVERSEER OF PUBLIC WELFARE

Four fewer requests for direct relief were received in 1978 than in 1977. Again most of these were temporary and most frequently referrals from the local office of the New Hampshire Division of Welfare. A close cooperation between this office and the State Office exists and mutual assistance and referrals work to the advantage of both.

The cost of food and shelter services, as we all know continues to rise. At the State level the Division of Welfare will attempt through the budgetary process to bring shelter allowances up to 1976 standards instead of the 1971 level at which they are presently funded.

Also at the State level a complete revision of the Juvenile Justice Laws could have a severe impact on local budgets since board and care and court ordered evaluations will be born by the Towns unless the State provides the necessary funds, which they will be asked to do.

Four Hundred Five Dollars and Forty-Four Cents (\$405.44) were received from Common Trust D, the John Q. Adams Fund, Almon T. Hovey Fund, Asgood Fund and Malinda Upton Fund for Christmas time distribution. In addition, One Hundred Nine Dollars and Twenty-Two Cents (\$109.22) was received from Common Trust D, Overseer of Welfare Fund and distributed.

Respectfully submitted,
Fred E. Murray
Overseer of Public Welfare

HEALTH DEPARTMENT REPORT

During the year 1978, it was necessary to condemn one building as being unfit for human occupation because adequate toilet and lavatory facilities were not available. Occupants of the building were ordered to vacate by Court order and the property owner required to correct outdoor nuisances and permit no further occupation until such time as proper facilities and septic system are installed.

Seventy-Five International Passports were stamped with the official seal of the Peterborough Health Officer. This figure includes passports held by residents of neighboring Towns who do not have a Health Officers seal.

The following activities occurred, and where necessary, were investigated:

Tenant - Landlord Complaints	6
Landlord - Tenant Complaints	1
Child Care Facilities Inspected and Approved	7
Complaints regarding suspected and actual mal-functioning of private septic systems	5

I again want to thank William Russell, Director of Monadnock Region Association for sponsoring the third annual round table discussion for Town Health Officers. Dr. Maynard Mires, Director of N.H. Public Health Service, three others from his department, plus a representative from New Hampshire Water Supply and Pollution Control Commission were present.

Respectfully submitted,
Fred E. Murray
Health Officer

CIVIL DEFENSE REPORT

Flooding! This is our big problem and will always be so in this area. We are subject to extremely low water table which is conducive to flooding characteristics.

Due to excessive rain mixed with extremely low temperatures, this problem began on the 9th of January and continued to the 16th of February with river banks full. Ice jams built up at the confluence of the Contoocook and Nubanusit Rivers, at bridge on Grove Street extension, upstream side of Contoocook River, and at the O'Rourke Motel. Two homes, one on Summer Street and one on the Sharon Road were badly flooded and received Civil Defense help.

On the 28th of March a critique was held at Civil Defense Headquarters with the Army Corps of Engineers (Al Laraway) to discuss the proper procedure to follow under these situations including cost of operation. Those present were Jim Lawn, Board Selectman, Chief McCarthy, Police Dept., and John Rathburn, McDowell Dam Engineer and Civil Defense Secretary. We were advised that any cost involved in use of equipment could be covered by Army Corps of Engineers if certain procedure is followed. Guide lines for this is in our C.D. files Flood Control Program book.

Extreme emphasis has been placed on Nuclear Attack by DCPA. A course about this subject is in preparation by Civil Defense.

We were very fortunate in acquiring the fine services of Bernice Monkton as C.D. Secretary.

Carl W. Wood, Director
Robert D. Stewart,
Deputy Director

LIBRARIAN'S ANNUAL REPORT

CIRCULATION (Books):

Adult	39,103
Children's	13,793
Total	52,896

USE OF THE LIBRARY:

Reference questions answered	3,768
Interlibrary loans received	280
Books sent to other libraries	196
Periodicals requested	3,129
Recordings borrowed	1,435
Cassettes borrowed	211
Talking books loaned	63
Puzzles circulated	150
Art prints loaned	43

NEW BOOKS ADDED:

Adult fiction	204
Adult nonfiction	599
Total adult	803
Children's fiction	151
Children's nonfiction	145
Total children's	296
TOTAL LIBRARY BOOK STOCK	41,569

NON-BOOK MATERIALS:

Number of bound volumes of periodicals	326
Number of reels of microfilm	80
Number of magazines subscribed to	140
Number of newspapers subscribed to	22
Number of recordings	778
Number of cassettes	100
Number of 16mm films	1
Number of 8mm films	17
Number of filmstrips	20
Number of art prints	50

CATALOGUES:

The Library maintains three catalogues - two for the use of the public (Adult and Children's), and an official catalogue which is known as the shelf list. During 1978, 5,495 cards were filed into these catalogues by the filing rules of the American Library Association.

PUBLICATIONS:

The Library publishes THE STORY OF THE PETERBOROUGH TOWN LIBRARY which is given to each resident applying for a library card. Copies are mailed to individuals, or given to groups upon request. Booklists and film programs are developed throughout the year.

PROGRAMS:

A wide variety of programs for both children and adults is sponsored year round. Among the more popular programs: Preschool Storyhour, After School Movies and our Outreach Service to local nursing and retirement homes.

A Notable Year

The Peterborough Town Library is in the business of serving you. It is our job to make available information, books, and other materials to enrich your lives through education, information and recreation. For the past ten years, we have done this in rather close quarters. Your unanimous vote to expand our facilities heartened us greatly, and urges us to even better service in the future.

A supportive community, a dynamic Board of Trustees, a farseeing predecessor, and an enthusiastic, hardworking staff made the addition and renovations to the oldest free, tax-supported library in the world a reality. We thank you.

Processing Department

Ellen Hardsog, our cataloger, was named Assistant Librarian in midsummer. She proved her administrative mettle by organizing a supply-buying venture within our newly reorganized Nubanusit Library Coop - a group of twenty area libraries who buy cooperatively and thereby realize substantial savings.

Children's Department

Seventy six children registered for the Summer Reading Program. By reading, youngsters added a "brick" to the construction of the addition. The culmination of activities was a visit from UNH's mobile theater, "The Little Red Wagon." Children's Librarian, Joan Butler, spoke before several groups during the year.

Circulation Department

Mrs. Murray is responsible for the organization of the new circulation area. We also welcomed our newest staff member, Annagreta Swanson to the desk. She will assist both Mrs. Murray and Mrs. Hardsog.

Reference Department

The reference collection now holds 675 volumes. The demands upon this collection, and the telephone queries handled by our staff have increased substantially over the year. If we are unable to answer your question, we are happy to refer you to other sources within or beyond the community. To this end, we have established a Union Catalog, listing the holdings of the Nubanusit Coop beginning 1/1/78.

As members of the New Hampshire, New England, and American Library Associations, our staff participates in those organizations' workshops and continuing education programs. Your librarian also serves on the New Hampshire Library Association Executive Board.

Respectfully submitted,
Ann Geisel
Librarian

REPORT OF THE PLANNING BOARD

1978 was another busy year for the Peterborough Planning Board. Twelve regular meetings were held on the third Monday of each month, and five special meetings, at which the Board approved 14 subdivisions, eight boundary line adjustments, and site plans for eight commercial and industrial projects.

One subdivision, that was accepted in 1977, was voluntarily withdrawn by the applicant, Elizabeth Y. McGreal, Old Street Road.

The Board took negative action on seven applications, involving land use, and has pending one site plan and two subdivisions.

Subdivisions of more than two lots approved were:

Richard and Ginger Allen, Middle Hancock Road (three lots).

Peterborough Industrial Development Corporation, Phase 4 at Pineridge, (34 lots).

Elizabeth and Harvey Moore, General Miller Road (12 lots).

Paul Bourgoine, Bourgoine & Tuttle, Inc., Juniper Drive (off Old Dublin Road) (11 lots).

Mae Young, Old Jaffrey Road (four lots).

Site Plans accepted were:

Riverdale 1, Steele Road (since renamed Salzburg Inn), for an equestrian resort.

Jere and Robert Morris, 9,000 sq. ft. office building, Route 202 North.

Archie Lussier, Jr., and Frederick Shaw, Route 202 North, site for Conelec, Inc.

New Hampshire Ball Bearings, Inc., Route 202 South, 38,700 sq. ft. plant expansion.

Summerhill Nursing Home, Old Dublin Road, addition to resident facility.

Charles and Roland LaRoche, change in plan previously approved for expansion at Grand Union Supermarket, Peterborough Shopping Village.

Monadnock Community Hospital, office building for medical staff.

Valley Tire Center, 4,000 sq. ft. tire service and repair building, Summer Street.

The Board was assisted during the year with statistical and other information from the Chamber of Commerce, and wants to express to those responsible sincere thanks for aiding in the process of Town planning.

As was done a year ago, the Board is recommending to the Selectmen that an article appear in the 1979 Town Warrant to provide funds (\$2,955.28) for full dues-paying membership in the Southwestern New Hampshire Regional Planning Commission. It is the position of the Board that regional cooperation is essential to accomplish the local goal of fair and progressive Town planning. Also, the Commission has professional talent available that will be a substantial asset to the Board.

A meeting was held in October with federal representatives concerned with flood insurance, and more is to be heard on this subject in the coming months.

As the year ended the Board turned much of its attention towards proposed corrections and amendments to the Town Zoning Ordinance. These will be the subject of public hearings in early 1979 prior to the changes being presented for approval by referendum vote in March. The Board believes that only by regular attention to the changing needs of the community are the Zoning Ordinance, as well as other Town Ordinances, going to reflect what is best for the community as a whole. The Board wants and needs public in-put on these situations, with the single purpose that they are intended to serve the interests of all our citizens.

The Board had one change in membership during the year. Dennis Balog resigned in February when his company transferred him to Indiana. The Selectmen appointed Joachim Wamser of Keenan Drive to fill the vacancy.

All Town Codes, Regulations, Ordinances, etc., were assembled as a single unit for the first time, and published by the Board in loose-leaf form. Copies are available at the Town Office for a small fee.

The Board wishes to recognize the cooperation of residents, and town officials, who have been involved in various planning functions during the year.

REPORT OF BUILDING INSPECTOR

This was a turbulent year for the Building Inspector Department. Our original inspector resigned in the Springtime and another inspector was employed in August. He also resigned after deciding that the position didn't suit his needs. The job reverted back to my office while the search for a new inspector was underway. Seventy-nine building permits totaling \$2,968,250.00 were issued in the past year. The breakdown is as follows:

Dwelling Units	No.	Valuation
Single Family	23	\$1,295,500.00
Multi Family	—	—
Commercial Buildings	1	300,000.00
Industrial Buildings	1	65,000.00
Residential Renovations	41	206,250.00
Commercial Renovations	6	165,000.00
Industrial Renovations	2	855,000.00
Miscellaneous	5	81,500.00
TOTALS	79	\$2,968,250.00

Respectfully submitted,
John N. Isham
Building Inspector

REPORT OF THE CONSERVATION COMMISSION

The final acquisition of title to the Brous Dam at North Peterborough late in January was a gratifying event to mark the beginning of 1978 for the Conservation Commission. This opened up the prospect of creating a scenic and picnic area at the damsite, landscaping the approach to the old stone bridge and the banks upstream, there to foster the spread of the unusual rhododendron planting and to improve the protective stand of hardwood trees. It is hoped that various civic groups will help in carrying out this program.

Of further import is the prospect of creating a recreational area on the flowed lands above the dam for extended recreational enjoyment. The possibility of obtaining grants of land or easements will now be explored to assure access to all reaches of the pond area. Few towns have such potential for the enjoyment of all sorts of water sports so close to their centers as here in Peterborough. A maintenance program has been arranged through the Selectmen with the Department of Public Works for the operation of controls over the river flow past the dam and for the care and upkeep of the scenic area.

Evans Flats has long been regarded as a natural water recharge area, a wetland harboring flora and fauna and a safeguard in time of storm and flood. Encroachment has occurred in stages after flood danger was reduced by the building of MacDowell Dam. This year a plan was announced to extend Evans Road into the wetland and eventually to construct a club house on fill to be placed on a thirteen acre portion of the Flats abutting Nubanusit Brook. Such filling of wetlands requires authority of the Special Water Resources Board for this State and the Corps of Engineers, in areas of their jurisdiction, under the Federal "404 Program" relative to the maintenance of water quality.

Since the soil characteristics of the area describe these wetlands as "subject to flooding" or "high water table," there is reason for concern over any project proposing to place fill within or upon the wetland area. Article XVI of the Peterborough Zoning Ordinance creates a Conservation Zone on the bank of any body of water shown on a Geodetic Survey Map, within 100 feet of the natural high water mark, and prohibits, among other conditions, any dumping, filling or construction. With snow and icing conditions within the wetlands causing seasonal high water, our Commission has the problem of determining, from this winter's experience, the applicability of either of these restrictions to the area in question.

The same questions arise in connection with the Recreation Department's proposals for areas in the Flats.

This autumn has fortunately provided the opportunity to examine the terrain of the Commission's forest land on the westerly shoulder of Pac Monadnock Mountain to relocate the former trail leading to the summit road, and to study the forest growth potential for this property. A promising route for a recreation trail has now been located along the southwesterly slope, passing through various types of timber stand and ascending along a brook with various attractive vistas, to join the recently relocated Wapak Trail which now reaches the summit from the northwest shoulder.

Of the timber stand types that might be selectively harvested for the benefit of the town, white pine has the greatest potential from a commercial standpoint. While there are stands of commercial-size spruce on ledges with shallow soil, any real cropping would subject the stand to serious blowdown. Some hardwood stands have eventual value but, being at present largely pole size, should wait at least ten

years before harvesting. The mixed hardwoods comprise oak, red maple, and white birch and should await further growth. Softwood stands are scattered in with occasional hardwoods or junipers, and are likely never to reach commercial sizes. Over the years there is excellent potential for white pine regeneration.

One of the projects undertaken by the Conservation Commission this year was the study of hydro-electric power possibilities for our town. The purpose of the study was to see if by the re-development of Peterborough's hydro-electric potential, we could offset a rising town electric bill, now approaching \$90,000 annually. With the prediction of a doubling in price for electricity by 1985 and an ever-increasing power demand, having a town owned hydro-electric station might be a financially prudent energy alternative.

After our initial study, we discussed our ideas at a joint meeting of the Selectmen, Budget Committee, and Conservation Commission. Appearing at the meeting at our invitation were representatives of Energy Systems Corporation (an energy consulting firm). Following this meeting, we drafted the Article for the Warrant proposing the expenditure of up to \$5,000 to determine which of our dams are suitable for power generation, what the projected costs and benefits would be, and whether there are any insurmountable problems. After this Feasibility Study the town should have a definite answer as to whether hydro-electric power again has a future for energy and money saving for Peterborough.

Respectfully submitted,
Peterborough Conservation
Commission
Coburn T. Wheeler, Chairman

RIVER CLEAN-UP STUDY COMMITTEE REPORT

Peterborough has two rivers to be concerned with, the Contoocook River and the Nubanusit River. Therefore, there is approximately thirteen miles of River in Peterborough. Considering both sides of the rivers our study actually included approximately twenty six miles of river banks.

We were appointed as a committee to study and report on the feasibility of removing dead trees along the approximately twenty six miles of river banks and also the removal of dead trees that have fallen into the rivers. Through our study we have found that because of the terrain in places of the river banks and the inaccessibility of those trees that have fallen into the river, we cannot justify this costly project for the means of cleaning up the river.

However, we do have some suggestions for two easily accessible unsightly areas: 1.) Behind the Monadnock Lumber Company, at the mouth of the Nubanusit River, we feel the old railroad abutment could be removed. 2.) Behind the Peterborough Town Library, it would greatly enhance the appearance of the new addition if the pylons and railroad tressels were removed. These two situations being created by man could be removed by man. The dead trees fallen by nature are not accessible for man to get to and remove without great cost to the taxpayers.

Floyd L. Wakefield
Ronald D. Wilks

REPORT OF THE SIDEWALK COMMITTEE

Your committee finds that the sidewalks are in reasonable condition with some minor damage existing in some sidewalks of concrete construction. In the winter, sidewalks that directly border the street pavement are subjected to damage by snowplows. This is not a criticism of the snowplow operators because it is difficult to gage distances of a few inches.

Some areas of Peterborough have a high pedestrian traffic combined with very high automobile traffic. These areas warrant the construction of new sidewalks.

Recommend

The repair of sidewalks (parts) periodically as the need arises when the Superintendent of Public Works finds any sidewalk needing repair. This might necessitate a special item in the budget.

(1) New sidewalk on Union Street from Adams Playground to near Windy Row approximately 1 mile - constructed over 2 years at a cost of approximately \$30,000 per year.

(2) New sidewalk on Granite Street at lower end near Route 101 approximately 4/10 mile as a third year project at a cost of approximately \$25,000.

(3) New sidewalk on Summer Street to Heritage Apartments - approximately 3/10 mile as a fourth year project at a cost of approximately \$18,000.

Undoubtedly the price of materials will increase, thus a percentage increase would have to be added to these present prices to estimate the cost of these jobs for future years.

The large amount of traffic on Union Street to and from West Peterborough, a high density section of town, and the large pedestrian traffic to the playground, make this a high priority item. A traffic count requested by this committee showed that in the middle of September, off-season, an average of 1,700 vehicles traveled this street in one day.

There is also a large amount of pedestrian traffic to and from the Shopping Center on Route 101 via Granite Street. This we believe is a dangerous situation because the walker is hemmed in between the road way and a guard rail.

The third sidewalk would be along Summer Street from where it ends near Summer Hill. Pedestrian traffic in this area is high because of the apartment houses. The sidewalk extension is only for a short distance.

Granite curb should be used on all new sidewalk construction. This will prevent damage by snowplows and extend the life of the sidewalks.
